

William Penn West Highland White Terrier Club, Inc. Breeder Resource List

One of the goals of the WPWHWTC is to provide a resource for people to learn about the West Highland White Terrier. If you are interested in learning about the breed or if you are interested in acquiring a Westie, we strongly recommend that that you read the "Westie Profiler" and the "Frequently Asked Questions" posts that can be found on the home page of the West Highland White Terrier Club of America. Go to www.westieclubamerica.com and click on the "Find A Westie" button. Another resource would be to contact William Penn club members who are breeders (see the list below) and learn first-hand about the West Highland White Terrier.

The WPWHWTC cannot guarantee and is not responsible for the health, temperament, and quality of the puppies available for placement by breeders on the Breeder Resource List. The WPWHWTC is not responsible for any breed or purchase contracts, guarantees, assurances, or promises made between the club members on its Breeders Resource List and the purchaser. Once you make contact with the breeders, what transpires is beyond the control and responsibility of the WPWHWTC, as these are contractual matters between the individual buyer and the individual seller of the dog.
